was presented with the silver Paul Revere cup by Peter Underwood of Buzzards Bay Sailboards of Marion, who hosted the event as the first Annual Buzzards Bay Crossing. It attracted many of the best sailors of this new and exciting sport. Following the California winner were 3 Newport sailors in succession: Platt Johnson placed second, Mike Clemett, third; and Nancy Johnson, fourth. Rhode Island was further represented when Kit Low came in fifth. A steady stream of spectators followed the colorful sails from the town wharf welcoming an exciting event that heralds the opening of the harbor season.

Selectmen's Meeting

MAY 15, 1984 - By VIRGINIA ARRAL

SPECIAL TOWN MEETING

A special town meeting, scheduled for August, will request approval for funds to cover three of the articles defeated at the annual town meeting and for two new articles.

The sum of $12,500 is needed to cover engineering design costs and grant application fees for sewer main extensions; $6,500 for repairing and painting the water standpipe off North Street, and $8,000 for a sand spreader for the Highway Department. These requests were indefinitely postponed at the annual meeting.

The sum of $7,200 will be requested to purchase a computer (word processor) for use in the Town Clerk's office. The funds, if voted, will come from accrued money previous-

ly voted at the 1983 annual town meeting for the fiscal 1984 budget. No new funds will be sought.

The sum of $1,000 will be sought to build a ramp for the handicapped on the north side of the Town Hall entrance. Selectmen Chairman John N. DeCosta said this was one of the requests that was taken out of the proposed budget before the town meeting in order to meet the constraints of Proposition 2½.

Selectmen noted the $35,000 received from the sale of the Grange Hall can legally be used to cover certain articles. There may be additional sums coming in before the date of the August special town meeting.

In other business, Selectmen:

Saunders, a state employee, died as the result of an explosion at the state DPW garage off North Street in April 1980. Saunders received burns over 90 percent of his body when a heater he was lighting exploded. He died at Massachusetts General Hospital a week later.

The donation was made to the Firefighters' Association, the Police Association and the Rescue Squad in appreciation for the care her husband received from these departments.

GRANTED PERMISSION to the Peter B. Briggs Insurance Agency of Mattapoisett to meet with Selectmen and Kathleen Briggs, Town Treasurer, to discuss a proposal for an additional life insurance policy for town employees.

Selectman James F. Huntoon commented permission was needed because a deduction would be taken from employee's salary.

The Town Treasurer informed the board she presently deducts from the payroll an optional life insurance policy through the

REVIEWED a proposed Alarm System Regulation By-Law submitted by Police Chief James F. Moran which must be checked by Town Counsel before it can go on the special town meeting warrant.

The regulation described the alarm system, false alarms, control and curtailment of signals and penalties.

NOTED that ComElectric will be applying herbicides on property over which they maintain power lines between May 28 and June 29, weather permitting. We owe it to ourselves, to our ancestors, and to our descendents to see that this does not happen. As a Founding Sponsor of the Statue of Liberty/Ellis Island Foundation, we've joined a vast network of corporations and individuals dedicated to the restoration of these historic landmarks. Carolina. After the purchase by Tabor Academy she was sailed by a volunteer crew to Marion in 1954. Renamed the "Tabor Boy III" she has served the school for the past 29 years under the hand of Captain George Glaeser. As a graduate of the U.S. Maritime Academy at Kings Point, Captain Glaeser brought years of experience and skill to the Tabor sailing program. Under his command, the "Tabor Boy" sails to Bermuda in June each year crewed by qualified Seniors. During the summer she cruises up and down the Maine coast with students in the basic cadet training program. Captain Glaeser is a Marine Science professor at Tabor during the regular academic year. He and several students also maintain and upgrade the "Tabor Boy" at Kelly's Wharf.

The "Tabor Boy" cup plate is available at Seaport Pharmacy and from any member of the Board of Trustees. The cost is $8.00. A limited number of the first cup plate in this series, "Ned's Point Light" is also still available at a cost of $10.00.

The Patronesses were organized in 1925 to assist the Sisters of Charity who staff the home. In the early years they raised funds to help pay off the mortgage, then to help equip the home. Today they provide little extras to the residents of the home to help make life a little cheerier.

There will be a Summer Outing for them on July 14th at Buttonwood Park. Birthday gifts are brought to each resident. The Christmas Party is capped off with a substantial money gift for the recreational fund of the home.

He has appeared in over twenty plays and musicals including "Lady Windermere's Fan", "California Suite", "Arsenic and Old Lace", and "Verdict" for Spouters, "Butterflies Are Free", "The Me Nobody Knows" and "Greasepaint" at BCC and "A Nue Revue" at Southeastern Massachusetts University. Mike has directed the Spouters' presentation of "The Fantastiks" and has worked on sets and in the workshop.

Debra Roderigues, a graduate of New Bedford High School, makes her acting debut as Christine (Rhoda's mother). This difficult role is presenting an enjoyable challenge for this young actress. Undoubtedly, area audiences will see more of Debra's acting abilities in up-coming productions.

Mark Fuller, a member of Spouters for many year, enacts the role of Leroy. A graduate of Greater New Bedford Regional Vocational Technical High School, Mark went on to Bristol Community College where he appeared in "Anastasia" and "Creature Creeps". Other acting credits include "God's Favorite" for La Theatre, "Murder in the Magnolias", "Play On", "Come Blow Your Horn", "Everybody Loves Opal", "Lady Windermere's Fan" and several other plays for Spouters. Next month he will graduate from Shirley Martin's Modeling School. Recently he modeled informally at Bloomingdale's in Chestnut Hill. Besides his acting and modeling experience, Mr. Fuller has worked on set and costume design. Mark has an extensive collection of period clothing, spanning the years 1850 - 1950, which he rents for theatrical productions, costume parties, etc. The costumes for this production will be provided by this young man.

SEAFOOD: HARVEST FROM SEA TO TABLE

The Lloyd Center for Environmental Studies, 430 Potomska Road, South Dartmouth, is pleased to announce an upcoming minicourse, the first in a series of summer minicourses for adults.

Seafood: Harvest From the Sea to the Table is the title of a 4-day minicourse to take place June 18-21.

This very special course provides an overview of seafood both from the viewpoint of the dynamics of the biological system from which seafood is harvested and from the processing and consumption of the sea's food resources. Each day of the course, a seafood luncheon will be prepared, and served with a variety of wines.

Seafood is a natural resource which is managed, and at times abused. This course

July 9-14, the hot musical revue Some Like It Cole, a celebration of Cole Porter's musical hits, makes its only New England summer appearance. Audiences will enjoy the wit and charm of music from "Anything Goes", "Kiss Me, Kate", and "High Society". For big band fans, The All-New Artie Shaw Orchestra, under the direction of Dick Johnson, will give two 'swinging' performances July 19th and 20th. In addition, the first four rows of theatre seats will be removed so audiences can also dance to the sizzling sounds of this fabulous big band.

July 29th-July 31st, the Zeiterion Theatre, in association with Battleship Cove and the Marine Museum of Fall River, will celebrate America with three patriotic performances by The 1st Marine Band.
